

# Social Distortion, The Creeps (I Just Wanna Give

I'll be vigilant, I'll be silent Yes, know one will know.  
You want something for nothing,  
A toast on your grave!!

"I just wanna give you the CREEPS!!"  
Run and hide when I'm on the streets,  
Your fears and your tears  
I'll taunt you in your sleep!!

"I just wanna give you the CREEPS!!"
