Socialburn, Get Out Alive

you were just about ready to give me away just about ready to sell me out now i know and now you
just about ready to cause a scene just about ready, but you know me now you know, now you know
(chorus)
cause you
can run and you can hide but you will never make it out alive cause there's only one way out of her
ready to call it a night just about ready now that ain't right now i know and now you know i don't car
ready to steal this show and now you know now you know i don't care now you know i don't care
(chorus 2x)
there's only one way out of here (repeat)
i was just about ready to cause a scene just about ready, but you know me now you know, now you
