Socialburn, Happy

I've been sittin here for a while Wishing I could finally see you smile I've been wanting to see you for a long time But everyday I grow farther from Everything I've done and everyone Here we go again I'm alone now

(chorus)
We try so hard
Cause we don't know what we're looking for
You try so hard
Because you don't know what you're looking for
Yeah I try so hard
Because I don't know what I'm looking for

But yeah I'm happy I'm happy now I'm happy

I don't know if I'll ever find you I don't know if I'll ever need you again Cause I've been sitting here for so long Wishing I could write a brand new song Maybe it will remind you of a time when

(chorus) (lead break) (1st verse repeat) (chorus)
