

Socialburn, I'm Happy

I've been sittin here for a while
Wishing I could finally see you smile
I've been wanting to see you for a long time
But everyday I grow farther from
Everything I've done and everyone
Here we go again I'm alone now

[Chorus]
We try so hard
Cause we don't know what we're looking for
You try so hard
Because you don't know what you're looking for
Yeah I try so hard
Because I don't know what I'm looking for
But yeah I'm happy
I'm happy now
I'm happy

I don't know if I'll ever find you
I don't know if I'll ever need you again
Cause I've been sitting here for so long
Wishing I could write a brand new song
Maybe it will remind you of a time when

[Chorus]
[Lead break]
[1st verse repeat]
[Chorus]
