

Socialburn, Out To Sea

wherever you may go i wanted you to know i'll always be, i'll always be with you no matter who you
i'll always be with you

(chorus)

until they call me out to sea i'll be waitin patiently until they call me out to sea to die i'll be right here

no matter where you are you will never be too far i'll always be, i'll always be with you and though y

(chorus)

i'll be right here with you (x3)

no matter where you go i just wanted you to know i'll always be,

i'll always be with you until they call me out to sea i'll be waitin patiently until they call me out to sea
