

# Socratic, Switzerland

Tonight I took the long way home  
I walked around this world just to see  
when I got home if I could fall asleep  
am I suppose to feel like this  
I'm falling through my fingertips another day,  
another day fades away

Chorus:  
we want an ocean  
we'll drown ourselves in it  
slowly the air disappears  
I never thought that drowning  
could feel so good

summer night are feeling so far  
this night seems so full  
this night seems so familiar  
but it's true  
its been five months straight  
it felt so far away

chorus

I'm on the edge now  
I'm looking down on things  
when I land they'll kill me  
I'll smile I think I will  
the ground will be all lovely

chorus
