

# Sodom, Agent Orange

Operation &gt;&gt;Ranch Hand&lt;&lt;  
Spray down the death  
Down on their farms  
Assault against the population  
Suppress by military arms  
Only you prevent the forest  
Legalize the war  
They are deprived of their power  
Eradication without law

Agent Orange  
Agent Orange  
Agent Orange  
A fire that doesn't burn

All the marks erased long ago  
Scars are healed up  
Cancer creeps into their innocent souls  
Memorials of flesh and blood  
Have survived unlawfully punished  
Poisoned till the end of their lives  
Physical deformity  
What medicine will help?  
Still births will rise

Agent Orange  
Agent Orange  
Agent Orange  
A fire that doesn't burn

Grieved weak hearts are crying  
Waiting for the end  
In this condition they are dying  
Newborns of the damned  
Preserved in test tubes for generations  
Vicious circle of transmission  
There's no way for reparations  
Must live with chemical agent called

Agent Orange  
Agent Orange  
Agent Orange  
A fire that doesn't burn

Agent Orange... burn  
Agent Orange... burn  
Agent Orange... burn
