Sodom, Baptism Of Fire

Product of my breeding Inauspicious shapes Formed by depravity Abnegation of my past

Resigning, ireful
Watching the depopulation
Danger, impotence
Envelope the world with fear
Unnatural decay
Disclose the human need
Ptomaine, cremation
Baptism of fire we'll not survive

Abject and spirited
Getting excessive with results
Dislike a normal life
Excruciating waste away

Resigning, ireful
Watching the depopulation
Danger, impotence
Envelope the world with fear
Unnatural decay
Disclose the human need
Ptomaine, cremation
Baptism of fire we'll not survive

Symptoms of pathogenia Depropotionate your body Incurable disfigurement Bones decompose alive

Resigning, ireful
Watching the depopulation
Danger, impotence
Envelope the world with fear
Unnatural decay
Disclose the human need
Ptomaine, cremation
Baptism of fire we'll not survive

Return to biogenetics Turn over a new leaf To form a vicious circle Till end of time
