

Sofa Surfers, Good Day To Die

Mister bluebird on my shoulder
It's a good day to die
Thank god it's Friday
It's a good day to die
Time to see the other side
It's a good day to die
Hokahey hokahey!!
It's a good day to die

It's a good day to die

Cause you said that you loved me
It's a good day to die
I'd love to see u smiling
It's a good day to die
Don't understand anyway
It's a good day to die
It's all the same everyday
It's a good day to die

It's a good day to die

They say the proof is in the puddin'
It's a good day to die
A hard day at the office
It's a good day to die
Next door neighbour's in the news
It's a good day to die
And every next man is a terrorist
It's a good day to die
It don't have to be the truth
It's a good day to die
Just as long as you believe it
It's a good day to die
Life flows on like a river
It's a good day to die
And my head's getting heavy
It's a good day to die

It's a good day to die

It's a good day to die

Every house has its ghosts
It's a good day to die
Which one bothers you the most
It's a good day to die
Between a rock and a harder place
A good day to die
What a world, what a world...
It's a good day to die

It's a good day to die

Mister bluebird on my shoulder
It's a good day to die
Thank god it's Friday
It's a good day to die
Time to see the other side
It's a good day to die
Hokahey hokahey!!
It's a good day to die

It's a good day to die

It's a good day to die

It's a good day to die

It's a good day to die

It's a good day to die

It's a good day to die

It's a good day to die

Time to see the other side

It's a good day to die

Between a rock and a harder place

It's a good day to die

Life flows on like a river

It's a good day to die

It don't have to be the truth

It's a good day to die

Just so long as you believe it

It's a good day to die

Hokahey hokahey!!
