

# Sofia Carson, Come Back Home

We're drowning in our eyes  
Don't know what we'll find  
I'm not sure, should we fly or fight this?  
We're terrified

Pretending now that we don't care  
The tension climbs 'cross the air  
I'm more than scared  
I'm drowning in your eyes  
I'm terrified

I don't know what's happening to me  
Can you hear my pulse beat under me?  
Words are getting hard for me to speak  
That's not for me

Letting my fears show 'til I can face 'em  
Letting my tears go 'til I can taste them  
How do I know where you and I go?  
Damn it, I hope you come back home  
Come back home

It's hard to sleep at night when  
It's do or die  
Well, our world spins 'round and 'round and  
We're paralyzed

Pretending now that we don't care  
The tension climbs 'cross the air  
We're more than scared  
So lost inside our eyes  
We're terrified

Letting my fears show 'til I can face 'em  
Letting my tears go 'til I can taste them  
How do I know where you and I go?  
Damn it, I hope you come back home  
Come back home  
Come back home

I don't know what's happening to me  
Can you hear my pulse beat under me?  
Words are getting hard for me to speak  
That's not for me

Letting my fears show  
Letting my tears go  
How do I know where you and I go?  
Damn it, I hope

Letting my fears show 'til I can face 'em  
Letting my tears go 'til I can taste them  
How do I know where you and I go?  
Damn it, I hope you come back home  
Oh, come back home  
Oh, come back home
