don't freak out
it's ok
cause true love an save the day
and I think we feel the same
but I don't know

when we met
it was sweet
he was so into me
seems like things
are meant to be

but I don't know
does he love me
or does he love me not?
do I love him
and is it strong enough?

One Kiss
One Kiss
it all comes down to this
One Kiss
One Kiss
oh One Kiss
One Kiss
this moment could be it
I wanna know
so here I go
gooooo!

keep it cool
keep it calm
think he's loved me all along
but maybe I got it wrong

so I don't know

he's so good
got by back
but maybe I am just bad
could be a perfect match
now I don't know

does he love me
or does he love me not?
do I love him
and is it strong enough?

One Kiss
One Kiss
it all comes down to this
One Kiss
One Kiss
oh One Kiss
One Kiss
this moment could be it
I wanna know
so here I go
gooooo!
