

# Sofia Loell, Won't Change

I know you don't agree with some of the things I do  
I know you don't always understand  
I know you look at me a bit funny now and then  
But I won't change my mind because of you -  
no I won't change my mind because of you

I have my own style have my living  
and I like it how I do  
have a free mind and some kind of  
personalized view  
I do I do I do believe in my way of walking  
stop talking - take me for what I am

I know you'll never trust all my crazy ideas  
I know you don't always takes me serious  
I know you feel helpless when my temper turns  
but I won't change...

I have my own....

I know you never saw the fun in my jokes  
I know for some reason you love me  
but your doing wrong trying rearranging me  
cause I won't change...

I have my own....
