

Sofia Mills, Coffe Breath

Ba ba dum
Ba ba dum badumba
Da ba bum
Ba ba dum
Woke up in your new apartment
In your twin-size bed
Coffee starting
Don't remember much
All I know is that you talk too much
Time to go
Ba ba dum
Ba ba dum badumba
Da ba bum
Ba ba dum
You've got those big blue eyes
Drive me crazy
Make me fantasize
'Bout you baby
And you smell so sweet
Like fresh-picked daisies
Call me Dahmer 'cause your heart's so tasty
Ba ba dum
Ba ba dum badumba
Da ba bum
Ba ba dum
And I watched you break
Like glass, you shatter
Said it's my mistake, I make things harder
So I tried my best
To shut my mouth
But all the thoughts I hid, dug their way out
Ba ba dum
Ba ba dumba badumba
Da ba bum
Ba ba dum
Said you can't trust me
I said it's fine
Because I'm not happy 'til I tell a lie
Now my bedsheets smell
Like your cologne
And in our separate worlds, we sleep alone
Ba ba dum
Ba ba dumba badumba
Da ba bum
Da da dum
Bada ba dum
Ba ba dumba badumba
Da ba bum
Ba ba dum
