

Sofie, Punk Rocker Princess

Hey hey!
Saw you at the movies
Chillin with that girl
Kissin that girl
Did you see me?
I was shaking my head
Knowing you should have picked me!

How can you like a prep like that?
Sticking pompoms in your face?
Wearing pink all the time?
She sucks! She doesnt even listen to cool music!

[bridge]: What can I do to make you see?
You are the perfect guy for me!!
Not for that attentioned starved brat!

[CHORUS]: Can I be your..
Punk rocker princess??
I'd do all I can for you!!
If only I could wear your chain! (oooh that would be wicked awesome!)
We can talk about preppies
And wannabies
And watch freaky movies
I'd even listen to your music!!
Even though I already do..
Can I be your punk rocker princess??

That girl
Shes not the one for you
I am
Cant you see?
She likes cheerleading, bubble gum and pop music
That sucks!!
Why dont you go for someone
A little more like me??
Perhaps, someone who is me??
We can wear chains, listen to semi-punk music!! watch freaky movies!
If I were with you
Every girl would wanna BE me!
Cant you see?
(X'S2)
So could I PRETTY PRETTY PLEASE!
With sugar
And ice cream
And candy
And a cherry on top (OoOh.. I dont mean it that way!!)
Could I Be your punk rocker princess?
