

# Sofie, Unforgiven

Oh, oh, unforgiven, oh

Daddy, daddy  
Why you break your promises to me  
Daddy, daddy  
Don't you know you hurt me constantly,  
Ah, ah, ah, ah

And there's something that I that think you should know  
I'm not the little girl you left waiting at home  
All the hurt and pain you left with Mom and me  
Why can't I be angry  
I hope you're somewhere out there listening to this song  
I hope you're thinking what you did, you did was wrong  
Well let me make it crystal clear for you to see  
It's too late for I'm sorry

Sorry is a word you like to say  
But sorry won't erase the things you did  
Yesterday

(No!) And I want you to know that I didn't need you anyway  
(No!) And this rope that we walk on is swaying  
(No!) And the ties that bind us, they will never ever fray  
(No!) but I want for you to know  
You are  
You are  
Unforgiven

Unforgiven

Daddy, daddy  
Fan of absolute simplicity  
Daddy, daddy  
Expert in responsibility,  
Ah, ah, ah, ah

Where were you when I fell down and skinned my knee  
Where were you when I was scared to go to sleep  
Where were you to soothe my insecurities (ah, ah)  
Why can't I be angry  
Where were you the first time someone broke my heart  
Where were you when I first learned to drive a car  
Where were you when I plugged in my first guitar  
It's too late for I'm sorry, yeah

And I want you to know that I didn't need you anyway  
(No!) And this rope that we walk on is swaying  
(No!) And the ties that bind us, they will never ever fray  
(No!) But I want for you to know  
You are  
You are  
Unforgiven  
Unforgiven

Ooooooo  
Unforgiven  
Ooooooo,  
La dee da dee da  
Oh oo whoa oo whoa!

Sorry is a word you like to say  
But sorry won't erase the things you did  
Yesterday

(No!) And I want you to know that I didn't need you anyway  
(No!) And this rope that we walk on is swaying  
(No!) And the ties that bind us, they will never ever fray  
(No!) But I want for you to know  
You are  
You are  
Unforgiven  
Unforgiven  
Unforgiven  
Unforgiven  
Unforgiven
