Soft Boys, Only The Stones Remain

Men were executed, women bled Meat and fish changed hands and children stayed up late Uh, huh Coloured drums they ?displace? the night There's a taxidemist looking for a fight But now he's gone, oh yeah Only the stones remain Girls were decked with flowers and violated ?while? Boys spat juice from a, out of their fresh young ?bones? Soldiers crossed their hearts and died _____ pretty girls turned cold inside But now they're gone, oh yeah Only the stones remain Oh they're gone, yeah Only the stones remain And the stones have forgotten them The stones have forgotten them They brake your body and drain the life out of it It sinks into the soil while the soul flies up into the air above and when there's no more tears to cry There's nothing left to do but laugh State led collabarations collapse and cannibis evaporates, honey Only the stones remain (Here they going) Oh yeah, only the stones remain Woah Now they're gone, oh yeah Only the stones remain Oh yeah, only the stones remain
