

Soft Cell, Numbers

Rain keeps on falling
Sun refuse to shine
Baby quit your stalling
And say that you are mine

Chorus:

'Cause I've got so many troubles
Oh I feel like I could cry
Going down in the subway
Jump on those train tracks and die
Down in the subway
I hide these tears of mine
Down in the subway
I'm gonna cry cry cry 'til the end of the line
Cold hearted baby
You're too mean to smile
Every day is stormy
Oh you're one evil child

Chorus

Red blooded baby
Your too tough for me
I don't mean maybe
Oh why don't you let me be

Chorus

Jump on those train tracks and die
Jump on those train tracks and die
Go down in the subway
Jump on those train tracks and die
Jump on those train tracks and die
I'm all run over
