## Soft Cell, Say Hello, Wave Goodbye

Standing at the door of the Pink Flamingo, crying in the rain

It was a kind of so-so love and I'm gonna make sure it never happens again

You and I, it had to be the standing joke of the year

You were a sleeparound, a lost-and-found, and not for me I fear

I tried to make it work, you in a cocktail skirt, and me in a suit, well it just wasn't me

You're used to worry-less and now your life's a mess, so insecure you see

I put up with all the scenes and this is one scene thats gonna be played my way

Take your hands off me

I don't belong to you, you see

Take a look at my face for the last time

I never knew you, you never knew me

Say hello, goodbye

Say hello, wave goodbye

Under the deep red light, I can see the make-up sliding down

Hey little girl, you will always make-up, so take off that unbecoming frown What about me? Well, I'll find someone that's not going cheap in the sales

A nice little housewife, who'll give me a steady life and won't keep going off the rails

Take your hands off me

I don't belong to you, you see

Take a look at my face for the last time

I never knew you, you never knew me

Say hello, goodbye

Say hello, wave goodbye

We've been involved for quite a while now, and to keep you a secret, it has been hell

We're strangers meeting for the first time, ok? Just smile and say hello...

Say hello, then wave goodbye

Say hello, wave goodbye

Say hello, then wave goodbye

Say hello, say goodbye

Goodbye...
