Soft Machine, Hope For Happiness (Reprise)

Hope for happiness Hope for happiness Hope for happiness, happiness, happiness

Out of the East, the sun flew West Trailing its golden spray My heart burns, when fortune turns The trail to light my way

Days go by, I watch the sky My eyes forever quest The sun returns, though my hope yearns Forever things point the rest

Sun heart burns Moon glow turns Stars will trade Hope for happiness Hope for happiness Hope for happiness, happiness, happiness
