

Softcore, Alone In The End

Tired of my suffering
I decided to get away
I didn't want to say good bye
There's just a step to run away
From here
Roaming in the darkness
Without know where to go
I don't think about getting back
My life's going to stop, just right here
Now I can't cry
Now I can't laugh
I can't feel anything in this place
Maybe I will die
Good bye I will say
Alone in the end
Have returned again to me
Those memories of my existence
All those things that now are gone
That I'm not going to feel again, again
Roaming in the darkness
Without know where to go
I don't think about getting back
My life's going to stop, just right here
