

# Soho Dolls, Stripper (Lost Dog Found Remix)

Well ana you're late  
And maya, i'm here.  
The boys in the band,  
Decide to appear.  
We walk through the door  
Savour the air.  
The girls on the floor,  
I've come here to stare.  
We've come here to stare.

You can call me x,  
You can call me y,  
You can call me z,  
You can come and try.  
Come and try.

Don't know what you do you're doing to me,  
Na na, Na na, Na na na na, Na

Dont touch the girls,  
Dont kiss the girls,  
I have the right to pull the girls.  
Get in a fight,  
On every night,  
The scratches, the bruises and the bites.  
But i wanna touch,  
And i wanna kiss,  
And if you say no then i will persist,  
With you tonight,  
You'll make it right.  
You know that you're wetting my appetite.

Don't know what you do you're doing to me,  
Don't know what you do its getting to me,  
Don't know what you do you're doing to me,  
Don't know what you do its getting to me,

We've come here to stare.  
Yeah  
You can call me x,  
You can call me y,  
You can call me z,  
You can come and try.

Come and try.
