

# SOiL, Halo

I'm the man,I'm the king,I'm the one  
That's pure inside  
Everyday,every way I smell of suicide  
Bitter sins how they grow within  
So you tell me it ain't right  
I AM...ALL SINS  
And you're my reason for life

I will stone you,stone you  
Wrap my arms around you  
I will stone you,stone you {2x}  
My little HALO

I'm the man,I'm the king,I'm the one  
That's broken from giving  
Everyday,every way I swear just one last try  
Killing me with the death to be  
Something that's so right  
I AM...ALL SINS  
My hands are scarred with time

I will stone you,stone you  
Wrap my arms around you  
I will stone you,stone you {2x}  
My little HALO!!!

stop! look at me

I'm the man with the rock in his hand,got  
the rock in my hand gonna stone you stone you {4x}

Make a change,gotta rearrange  
Idle minds,crushing time  
I AM...ALL SINS  
And you're my reason for life

I will stone you,stone you  
Wrap my arms around you  
I will stone you,stone you {2x}  
My little HALO

I will stone you,stone you  
put my god damn arms around you.  
I will stone you,stone you  
My little HALO

I will stone you,stone you  
put my arms around you  
I will stone you,stone you  
My little HALO
