

SOiL, Remember

When father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you remember
My time is all I had to give
Weighed down by the life that I live
Could you, Should you, Would you remember
Will I live again?
When father time has closed my eyes
And I've said my final goodbyes
Out of sight when I'm out of your mind
Will you remember
Will you remember me
Will you forget me
Will you remember me
Will you hear me
My face painted with peace
My life embraced when you speak
Do you remember the child, boy, man
What's right is not what today brings
The sun rises but does not set
On our sweet memories now do you remember
When this world knocked me down
I stood my ground for another round
All the good times and every bad
And all the time between
My ears always listening
My soul inhaled when you breathe
Out of sight when I'm out of your mind
I will not leave you
I will remember you
I won't forget you
I will remember you
I won't, will you?
Father time don't you close my eyes
