

# Soilent Green, Zebra Zombies

Weak  
Thoughtless  
Countless Fools Fall Game To The Selfish Way  
Acting Out Lives But Their Own Ones  
Betray Only Friends To  
Move Forward In Social Game  
Choose The Stupidity To Be  
As You Fall Under Me  
Do You Think Your Problems Mean Shit?  
See  
The Obvious, That Your Lost, Even In Your Mind  
Everything You See Has Been Programmed  
To Be Stigmatized, Civilized  
Projects  
Of Worthless  
Illegitimate Bastards  
Where Crimes Are Mastered  
Your Mind Is Not Here  
That's Your Mistake  
You Think It's A  
Problem Of Race?  
It's Not Black Or White You See  
It's Only Your Stupidity  
Slowly Fade  
Your Ignorance  
My Dominance
