

Soilwork, Chainheart Machine

I am the sledgehammer messiah
Waiting for sins to be born
And if you stop for a moment
You can hear the machines
Are playing your song
There's nowhere to run
And nowhere to speak
I'm gaining you're falling
Into me
Tell me you piece of shit
How does it feel
To be down here with me?
Living, living
Dreaming dreaming
Drowning, drowning

Chainheart machine
By cosmic retribution
I've been sent

Cause I'll rise
(I'll rise)
You'll fall
(You'll fall)
Roll the dice!
(Roll the dice)
My call
My call

Tick tock, time to die
No use reaching as time goes by
Self absorbed egotistical fuck!
I'm reigning your life!

Chainheart machine
By cosmic retribution
I've been sent

Cause I'll rise
(I'll rise)
You'll fall
(You'll fall)
Roll the dice!
(Roll the dice)
My call
My call

Preaching for the sun
They say there
They say there is a sun
So I'm preaching
Im preaching for the sun
They say there
They say there is a sun

-Solos-

My body is chained to
The ground where I walk
They stalk they hunt
My every thought with
Execution, evolution
Disillusion, pre-conclusion
Why is it me?

Chainheart machine
Your suffering
Will be legendary
Even in hell!

Cause I'll rise
(I'll rise)
You'll fall
(You'll fall)
Roll the dice!
(Roll the dice)
My call
My call

Cause I'll rise
(I'll rise)
You'll fall
(You'll fall)
Roll the dice!
(Roll the dice)
My call
My call
