

Soilwork, The Crestfallen

Don't question any lies
There's no reason to find
Another trip, to cause a denial
Yet you're stripped and your hope is gone
Another trap, for you to fall into
You swallow every threat that comes to your mind
A shadow just as dark as your past
Is leading your way through a web of desire
Healing all the wounds in your chest
...Vengeance is rising

Can I ever resolve, If it's a matter of do or die?
Can I ever resolve, if it's a matter of time?

Just remember
Where you've spent your time
Can't respect all the tears you have cried
Just remember
How you've changed your life
Can't trace your fate with a pitiful crime

Don't question any lies
There's no reason to find
Another trip, to cause a denial
Yet you're stripped and your hope is gone
Another trap, for you to fall into

Can I ever resolve, If it's a matter of do or die?
Can I ever resolve, if it's a matter of time?

There's no way that you can dig much deeper
If you think it's alright
Assorting the right from the wrong ones
That you have learned so well...

You're stuck you can't remember
Your life is turning dim
You're trapped although you've been there
A thousand times before

Crestfallen be thy name
