

Solabeat Alliance, Heroes

Stop for a minute and look you're stumbling up against a dream,
Just a second it took and now it's simplified to see,
Step back, a smile, a sense of doubt, a life,
Spent thinking is this what life is all about?
a free ride oneric calling of the,
Fellowship a song for the people who burn, we got the fire lit,
Anyway the wind blows one love still be, anyway the wind blows

We'll be singing as the sun goes down,
All heroes on higher ground

So stop for a minute reject communication from the brain,
Take a step to the right you know you'll never be the same,
Cut lose a state of normality into a state that,
You thought that you could never be,
A wide eyed lunatic captain of the mothership,
Along for the ride smash it up we got the fire lit, anyway the wind blows....
Drop it in let the story begin,
You don't need no throne or crown to be king

We'll be singing as the sun goes down,
All heroes on higher ground
