Solabeat Alliance, Supersonic

We're comin heads up, with a sonic bomb trippin about the cold cut on the bass, And drum got the wildstyle and we all become one people it's just a lockdown, Got you all in check spin a round rockit around now the rhythm set, And underneath the stars we give you fire sound bass drop we turn the system loud,

SBA resonate supersonic, got a riot on wax turn it up and lets rockit Here we go again, blow your mind away

We're comin heads up, with a sonic quest a doubley trippley fine line in the mind, Possesed it's just a beatdown hypersonic crush a 6,5,4,3,2,1 here's the rush, Right about now, everybody take need, Music will lift you right off the ground, come and spread that lovin sound

SBA resonate supersonic, got a riot on wax turn it up and lets rockit Here we go again, blow your mind away
