

Solange, Binz

I just wanna wake up to the Sun,
and Saint Laurent
Hundred Thousand Dollars on the Fronts & the Blunts
I just wanna wake up on Goodbye,
Only I!
Or in the Rolls that's rented,
windows tinted,
We call that Big Spending,
Big Spending

I;ma get back on my feet
give me a minute
I;m afeel this in my things
like evenin' it
young summer
young summer
give me a minute
sun dwon
wind chimes
break it down
ne line, a ine
can't no see me
no flex, be kind
dollars never show up on CP time
