Intro

J-Boog (B2K): Uh, yo, sing it, uh

Solange: Doo doo too too too too

Verse 1 - Solange

I've been watching from across the room,  
Thinking how I want to dance with you.  
See you moving on the dance floor,  
Makes me wanna dance with you even more.  
I like your style, you're so confident,  
All the haters call you "arrogant";  
I don't care if what they say is true,  
'Cause all I want to do is dance with you.

Chorus - Solange

I see you checking me out  
And I'm looking at you so  
Don't matter who approaches first  
Just make a move 'cause  
On the floor you've got it,  
And I've got it too  
I wanna dance with you..  
Dance with you.

Verse 2 - Omarion [B2K]

Girl it's funny you are Feelin' me  
'Cause in my mind I'm thinking the same thing.  
Of how I wanna move and dance with you  
Too intimidated to approach you.  
I like your vibe, so baby girl what's up  
All the chiccass claim that you're stuck up.  
I don't care if what they say is true,  
'Cause all I want to do is dance with you.

Chorus - Solange + Omarion

J-Boog: Uh, yeah.

Da da da da da da da

What, Solange, yeah.

Solange: You're trying, you're trying.

J-Boog: Dance with me, C'mon

Rap - Lil Fizz

It's the same little cats who came to rock your world  
It's amazing what I do to this little girl.  
Got them leaving their boyfriends  
I'm the talk around school  
You ain't never met a 15 year old guy this cool.  
Come on ma roll with me I'll make your life better  
Not pressuring you I know you wanna claim this  
Poked in the party ma singing off key.  
Oh, off key

Solange: Make a move!

Chorus - Solange, Omarion and J-Boog
