

# Solange, Don't Fight The Feeling-Solange And Papa Reu

Artist: Sikange feat. Papa Reu Lyrics

Song: Don't Fight The Feeling Lyrics

crush

Don't fight the feelin

[Papa Reu]

Girl when you see me flexin in my bemar

Or in the Jaguar

The crush we have is a feelin we have meant for each other

So don't fight the feelin

It's a feelin

That we both be needin

Girl when you see me flexin in my bemar

Or in the Jaguar

The crush we have is a feelin we have meant for each other

So don't fight the feelin

It's a feelin

That we both be needin

[Solange]

Come here stranger

Come and dance with me

Listen life changer

Don't fret take a chance with me

Cuz when you move like that, I can just fall

mmhm

In love with you

You think I'm speeding

That's until you see

I wasn't I was leading the future for you and me

Cuz when you move like that I can just fall

(uh huh)

In love with you

Baby close your eyes

And move

Baby please dont think

Just groove

Please

Do that for me

Let them know

You're my baby

It's weird I know

But somehow I know

I've handin you

And you've been handin me

It's like some fantasy

I like you

I want you

Dance with me

Forever and ever

[Papa Reu]

Girl I got a crush on you crush on you crush on you crush on you

You got a crush on me crush on me crush on me crush on me

Come on and tell me tell me tell me tell me

Could you be my baby baby baby baby

Girl when you see me flexin in my bemar

Or in the Jaguar

The crush we have is a feelin we have meant for each other

So dont fight the feelin  
It's a feelin  
That we both be needin

Girl when you see me flexin in my bemar  
Or in the Jaguar  
The crush we have is a feelin we have meant for each other  
So dont fight the feelin  
It's a feelin  
That we both be needin

[Solange]  
Baby close your eyes  
And move  
Baby please dont think  
Just groove  
Please  
Do that for me  
Let them know  
You're my baby

[Papa Reu]  
Don't fight the feelin  
(crush)  
Don't fight the feelin  
(crush)

[Solange]  
do do do do do do do do do do do do  
do do do do do do do

[Papa Reu]  
Don't fight the feelin
