

# Solange Knowles, Ain't No Way

[Verse 1]

Boy I know that you feeling things  
Calling me constantly  
Talking bout you and me  
Well even though you never told me  
That I was the only one so I did my thang, oh

[B-Section]

You see me hanging with my girlies  
Hollars at the fellows maybe  
But you can't be mad at me

[Chorus]

So there ain't no need to trip no  
Cause I ain't never been your girlfriend  
Don't be all up on me baby no way  
Gonna do my own thang  
Putting that on everything  
Don't play me like your girlfriend  
Baby no way

[Verse 2]

Did you think I would be waiting around  
That's not how I get down  
Someone should have told you  
And even though it hasn't been a while  
Someone else makes me smile  
And it feels so good, yeah

[B-Section]

[Chorus]

[Bridge]

Don't you act like you own me  
Don't you try to control me  
Cause, baby there ain't no way I'm going for that, no  
And if you chill you can call me  
But for now stay up off me  
Cause, baby there ain't no way I'm going for that, no

[Chorus out]
