

Solange Knowles, White Picket Dreams

Ba Ba ba ba ba ba ba ba
ba ba ba ba ba ba ba
Ba Ba ba ba ba ba ba ba
ba ba ba ba ba ba ba

im sittin here lookin at this old canvas
and the picture, looks so different, from you
yes it does (yes it does)
maybe its time to go back to the drawing board

cause its likely that the man not true
is fictional

its possible i dreamed such a dream thats so far away
and the blame that you weep is warm enough
its possible we all want a dream thats so far away
and my white picket dreams are warm enough
oh yeah
