

Soldiers Of Allah, Imaginary Walls

<!IMAGINARY WALLS

(Heart beat.getting faster)
Huul thought we were one UMMAH
Look at us Now

Jordan Arabia Iran
Egypt Indonesia Sudan
Tunisia Algeria Amman
Iraq Kashmir Philistine
Albania Bosnia Kurdistan
Spain Half France Hindustan
of
Somalia Lebanon Azerbaijan
Melesia Libya Kazakhstan
Bangladesh Chechnia Afghanistan
Turkey Cypress Pakistan
Kuwait .. Ch...explosion..

Bismillah - AR - Rahman - AR - Raheem
Allah made us ONE UMMAH!
No divisions in this Deen
Islam is our creed
Halall is our means
Pledge your allegiance to Islam
Cuz ISLAM will set you free
We bringing in..
Different Dawah carriers
We're coming in from different lands
But we see no barriers
Lyrics to reach your ears
Educate our minds with Islam
And Inshallah his disease of nationalism
Will disappear
Gave up all my nationalistic ties
Even though my family hated it
Put away your patriot games
Cuz I ain't playing it.
You see I ran from Iran
But I'm not Iranian
Allah gave me the BOND-OF-ISLAM
And now I'm claiming it

I throw back the flag
They put in my hand
I throw it in their face
Because they destroyed OUR land
No border lines
Between our Muslim land
Cuz its Allah's command
Cuz its Allah's demand
Allah is my only fear
And that's that
TAKBIR!!!
Allahu Akbar Allahu - Akbar

Coming in loud
Listen to this call

Breaking nationalism down
Like the Berlin wall
If they want to take me
They better take us all
Uniting under one flag of
La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

Trying to deviate the Muslims
With the ayah's that they twist
Brainwashing us with nationalism
So they can watch this Ummah split
They want us to
Stand up for their flag
But we rather sit
They like to see their flag
We like to see it lit

Never-ever-
Will I claiming to be Persian
Won't celebrate
Their fire worshipping new year
So now I hear my mother cursing
Trying to brainwash me
Telling me that I'm Persian????
WHAT!!!!?
Tools that kafirs use
Preventing the Muslims from merging
They've put up imaginary walls
That's for certain
Bunch of cowards!!
Cuz they won't fight us in person
Our Ummah is hurting
Nationalism has worsen
Won't compromise Islam
Even when its curtains

Tearing up the flags
That these kafirs are waving up
Ain't going to start fitna
Like that fool Lawrence of Arabia
Don't listen to history
Our enemies are making up
They're already claiming victory
Watching our Ummah breaking up
Doesn't make a difference
Where you from
As long as we stand divided
We're going to stand stuck
There is no divisions
Between my brothers
Khalas!!..Enough is enough!!!!

Trying to deviate the Muslims
With the ayah's that they twist
Brainwashing us with nationalism
So they can watch this Ummah split
They want us to
Stand up for their flag
But we rather sit
They like to see their flag
We like to see it lit

I hate fake rulers like Saddam
Like I hate the united snakes
Gaps are only for shaiton
So I leave no space
Either you're a slave to what made-man
Or you're a slave to what man-made
My ONLY allegiance is to Islam
And this is where I keep my faith
Inshallah let us break these kufur walls
Before Allah has us replaced
And let us unite this Ummah
Under one Mighty Islamic State!

Soldiers of Allah
Keeping it real with tight rhymes
Insh-Allah one day
We wouldn't have to rap about
Sad times
Islamic state will be implemented
Right-right
There will be no gap between
Me & my brothers
Side by side just like our pray lines
No more imaginary walls
Brothers greeting each other worldwide
Our only bond will be Islam
Haram and Halal will be
Our only guidelines
Waking up from this coma
I see a rise of Muslim pride
A generation of Muslim youth
Who know the truth
Let's us be the ones
Who bring this Ummah back to life
Putting Islam back into the lime light
No divisions in this Ummah
Erasing all kufuristic border lines
Leaving all man-made systems
With nothing
But just a flat line _____>
