

# Soldiers Of Allah, Muslim Scholars For Hire \$\$

Salaam alikum to all my brothers and sisters even the non-Muslims that are in the audience. Islam  
Staq-Furrillah  
Excuse me brother do u have something to say?  
LIAR!

Fake Scholars and False leaders  
Claiming there're our Healers  
Insulting our Intelligence  
In so called Islamic Methods  
Lairs!!!!  
Muslim Scholars for hire  
Telling us  
We need American Islam  
Dividing the Ummah into sections  
looking for the answer in congress  
Muslims voting in elections  
Crooked scholars  
Working for the system  
Selling our land to kufar buyers  
Shifting our path like a rolling tire  
Action based on desire  
Misguiding our Ummah  
Be prepare to be surrounded by Allah's hellfire ( BURNING FIRE )

You tell me about your PHD in every Islamic degree  
Reciting the Quran  
Oh so beautifully  
It doesn't justify your false actions  
You don't want me to see  
Our brothers and sisters are leaving Islam  
Because you teach them a culture  
That is harm  
Puppet to the kufar  
So they pay for your new car  
Hiding under your mask .  
Helping them with their task  
Your think Jennah is for free???  
Your long beard and turban is the key????  
Allah will replace those who don't carry this deen  
You may think you fool those brothers around me  
But you'll never to fool me!

Funded by the saudi government  
And now you're loving it  
You knew the truth  
But you decided to cover it  
Sold out Mullahs  
Side by side with these corrupted rulers  
Spitting out fake fatwah's  
thought you could fool us??!!  
Neglecting the FARD but you enforce the Sunnah  
Attached to this dunniah  
Misguiding this Ummah  
Muslims catching their Z's at your weak Khutbah's  
Reruns-- every Friday--at noon--at Jummah  
Under close CIA surveillance  
So you got your fake cover up  
I see you on TV making peace talks with the yahoodas  
Blaming the Muslims when the trade center blew up  
On your knees begin America please  
I thought your name was ABDULLAH!!

Twisting the aya's

Scholars for hire  
Fear Allah's fire  
Scholars for hire  
Action based on desire  
Scholars for hire  
Scholars for hire

Compromising This Deen  
Letting Kufar intervene  
Planting your poisonous seed  
As we watch our Ummah bleed  
Claiming u study so many years of Islam  
But Yet you twist the Quran  
Brain washing the Ummah  
Praising king Hussein & Diana  
While they are slaughtering Muslims in Kosovo  
Celebrating eid with bill & Hillary (cheers)  
Justifying your ties with the kufar  
Getting paid on the American salary  
Portraying Muslims as nothing  
But just a minority

Amusing me  
With your confusing dawah delivery  
Can't comprehend what you're telling me  
Bringing in your missionaries  
To shows us similarities  
Between Islam and trinity???  
Making our history a mystery  
Our Ummah in misery  
Allah has promised us victory  
But you still make Du'aah to Bill and Hillary

The prophet taught us a better way to make a stand  
Establish one state  
And only use ISLAM to regulate  
But you still smile with arrogance  
Like a clown  
When you hear the word Khilafah  
You frown  
But just remember this  
Every soul will taste death  
You'll be asked  
For the words that you said  
On the last day  
It will be too late to pray  
So What you got to say  
When you meet ALLAH on judgement day!!!!

Twisting the aya's

Ignoring the vital issues  
Teaching only prayer & Addan  
Claiming no difference between Islam & democracy!!

And don't be fooled by these fake scholars blindly

Our Ummah is under worldwide oppression  
Telling us to westernize Islam??  
Cause that's the solution???  
Tired of these fake scholars

How are you going to sit there and compare our Deen  
To the jews and the christians  
They only have religions  
While Allah (swt) has given us a perfect system  
You think we're stupid???  
We'll never buy your abrahamic religion!  
Who do you think your fooling kid?  
Holding Islamic Conferences with the Jews & Christians?  
Brought the kufar to teach us about Islam  
Bringing in your priest and your rabbi  
How far will you go for their applaud  
Twisting the aiyas of Allah to justify  
Polluting concepts left us in Misery  
Your ideas are weak like the movie siege

We'll see who Allah grants the VICTORY!!!
