

Sole, I Hope You Like My Stupid Painting

i hope you like my stupid painting
it won't be here next time, you'll burn it
i'm no matisse and never said i could paint
the way things are going..i dunno if i'm gonna finish it
i graduated with passin' colors
into the world and directly through the other side
fitting in isn't about what you know
it's what you don't know that makes you a team player
so many ways to freeze but never teached us one.....
