[C:] The next string of lives will know our speed limit  
[L:] The next string of lives will do everything to break it  
[C:] The next string of lives will deny you a grave  
[L:] The next string of lives will regard you as a slave  
[C:] The next string of masters will ignore the bills you passed  
[L:] The next string of masters will change the order fast  
[C:] The next string of masters will not know the earth  
[L:] The next string of masters will live alone from birth  
The next string of deaths will be yours and mine  
The next string of deaths will be blessed with sunshine  
[C:] The next string of deaths will be yours and mine  
[L:] The next string of deaths will be blessed with sunshine  
[C:] The next string of deaths will rewrite the traffic rules  
The next string of deaths will illuminate the schools
