

Solid Base, Stay With Me

Come back to me, why did you leave me
I want to know. You must believe me
Here in my arms I can't let you go. I want you to know
That you are the one so please stay with me

Stay with me, stay with me now and forever
Don't you know that I need you. I want you in my life
I want you to stay with me,
Stay with me now and forever
Don't you know that I need you. I want you in my life
Stay with me now, I need you so. Don't you know
Stay with me now, I can't let you go. No, no, no

A mystery, I can't believe it
It's hard to see why did you leave me
Here in my arms I can't let you go. I want you to know
That you are the one so please stay with me
