

Solid Harmonie, Forever I Do

I had a heart so close to breaking
you came along in time to save it
never believed in happy endings
no storybook for me was made

But you gave me love
you gave me hope
you showed me how to live again
and if I try
from now till I die
I could never repay you

When the sun the moon the stars fall from the sky
or if the rivers cease to flow from mountains high
I'd still be loving you
forever I do

I know it sounds crazy
but I never thought I'd see
the day someone would find
the love that lies in me

But darling
you found the truth
gave so much love to a girl
and you are the center
and the light of my world

When the sun the moon the stars fall from the sky
or if the rivers cease to flow from mountains high
I'd still be loving you
forever I do

No love as right as ours
none shines as bright as ours
the world I'd fight for us
I live and die for us

When the sun the moon the stars fall from the sky
or if the rivers cease to flow from mountains high
I'd still be loving you
I do forever I do oh baby

When the sun the moon the stars fall from the sky
or if the rivers cease to flow from mountains high
I'd still be loving you
mmh ooh yea
you know I do

Ooh
you know I'll love you
ooh yea
you know I'll love you baby
