

Solid Harmonie, I'll Be There For You

I wish that you could hold me now
'Cause I know the time has come
Feels like I been holding back forever
Now my heart is finally one
I've gotta find a way to believe
That our love was meant to be

CHORUS

I'll be there for you, I swear
Anytime you want me, I'll be there
Time and time again
Until you understand

I surrender (I surrender now)
I can't fight it any more, baby
I hope that you feel the same now
I've opened up the door (opened the door)

I've gotta find a way to believe
That our love was meant to be

CHORUS

I'll be there for you

I'll be there to hold you in my arms
I swear
Time and time again
Until you understand
(Understand I'm telling you that)

I'll be there to hold you in my arms
I swear
I'll be there for time and time
Over and over, I swear
I'll be there for you

CHORUS 2X

I'll be there for you
