

# Solid Harmonie, I'll Be There For You

I wish that you could hold me now  
'Cause I know the time has come  
Feels like I been holding back forever  
Now my heart is finally one  
I've gotta find a way to believe  
That our love was meant to be

## CHORUS

I'll be there for you, I swear  
Anytime you want me, I'll be there  
Time and time again  
Until you understand

I surrender (I surrender now)  
I can't fight it any more, baby  
I hope that you feel the same now  
I've opened up the door (opened the door)

I've gotta find a way to believe  
That our love was meant to be

## CHORUS

I'll be there for you

I'll be there to hold you in my arms  
I swear  
Time and time again  
Until you understand  
(Understand I'm telling you that)

I'll be there to hold you in my arms  
I swear  
I'll be there for time and time  
Over and over, I swear  
I'll be there for you

## CHORUS 2X

I'll be there for you
