

Solid Harmony, I'll Be There For You

i wish that you could hold me now
'cause i know the time has come
feels like i been holding back forever
now my heart is finally one
i've gotta find a way to believe
that our love was meant to be

chorus

i'll be there for you, i swear
anytime you want me, i'll be there
time and time again
until you understand

i surrender (i surrender now)
i can't fight it any more, baby
i hope that you feel the same now
i've opened up the door (opened the door)

i've gotta find a way to believe
that our love was meant to be

chorus

i'll be there for you

i'll be there to hold you in my arms
i swear
time and time again
until you understand
(understand i'm telling you that)

i'll be there to hold you in my arms
i swear
i'll be there for time and time
over and over, i swear
i'll be there for you

chorus 2x

i'll be there for you

your small but still
growing friend,
