

# Solstice, Goodnight (rachel's Song)

One move..  
Took one life..  
Too soon..  
To say goodbye..  
One move..  
Now a million grieve..  
To soon..  
To believe..  
And its hard to believe youre gone..  
Goodnight..  
Goodnight..  
One loss..  
Causes pain..  
Because we know..  
Things wont be the same..  
One loss..  
Changed our youth..  
Because we know..  
This is the truth..  
And its hard to believe youre gone..  
Goodnight..  
Goodnight..  
Goodbye..  
Goodbye..  
One move,  
Took one life..  
Too soon..  
But well say goodnight
