

Someone Still Loves You Boris Yeltsin, Gwyneth

Gwyneth
It's an easy month
What if we both touch
Gwyneth

Gwyneth
Bought a flowered hat
Talking to her cat
Gwyneth

I know we all turn out okay
I know (???????)
I know (???????)
But, Gwyneth, ooo-weeee-ooo

Gwyneth
No one really knows
Where she buys her clothes
Gwyneth

She knows
She knows
Oh, where'd she go?
She knows
She knows
Oh, I know
She knows
She knows
Oh, where'd you go?
She knows
She knows
Oh, where her garden grows
She knows
I know
She knows
