

Somersault, Somebody Shot Jesus

Somebody shot Jesus down
When he was asking for the ladies room
They flushed him down the toilet bin
The rest of him was an awkward gleam

Could see the world now from another side
As he swam down the dirty sewage pipe
Said to himself: "Just be aware ,
Cause Jesus, its not so bad down there"

Refrain:
Somebody shot Jesus
Somebody shot him down

Somebody shot Jesus
Somebody shot him down

Wanna meet Jesus climb down the drain
Dig in the dirt to see him again
Join the Messiah deep down there below
Counting the drops of the water flow
