

# Something Corporate, I Kissed A Drunk Girl

I kissed a drunk girl  
I kissed a drunk girl yes I did  
I kissed a drunk girl on the lips

I let my guard down  
How could I have been so dumb  
Her eyes were open  
I know I am not the one  
I know I am not the one  
I know I am not the one

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
And I'm sure I could've been  
With anybody else

I went to her house  
And everybody there was gone  
Her little cousin just passed out on the lawn  
We walked to my car  
She mouthed is everything okay?  
She leaned in slowly  
So now I can say

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
And I'm sure I could've been  
With anybody else  
Anybody else

I pulled away, doesn't see  
I didn't think it would be right  
I said, Let's save this for some other night  
And she said no,no,no I know that everything's gonna be just fine  
How could I do this  
When I want her to be all mine

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
And I'm sure I could've been  
With anybody else  
Anybody else

I know you don't care about me  
I'm sure when all is said and done  
And I go home feeling lonely  
You will have had your fun  
Do you even remember?

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
And I'm sure, and I'm sure I could've been  
With anybody else  
With anybody else  
With anybody else  
I could've been anybody else
