

# Something Corporate, This Broken Heart

you woke up, in pieces  
from making these changes  
and holding me ransom, won't write you an anthem  
on the outside, i'm trying, 'cause inside, i'm dying

this broken heart was stronger than  
now i can't stand to part with this  
this broken heart

you took me for granted  
now i've changed, you haven't  
it won't be so easy to sell me this feeling

this broken heart was stronger than  
the words i wish you never meant  
this broken heart

can't make this right, you can see on my face,  
that i'm not gonna be alright, not tonight,  
you can read all my letters, but that won't mean things are fine,  
not this time, 'cause you gave away all the secrets of you and i

this broken heart was stronger than  
now i can't stand to part with this  
this broken heart was stronger than  
the words i wish you never meant  
this broken heart
