

Something For Kate, Harpoon

This will take some explaining but I think you will agree
There is no use pretending that there's hope for you and me
And I love her, but do you think she can see
When I tell her, it's the end for you and me
It was over, ever since you went and shot...

Like a harpoon

Like a harpoon

Like a harpoon in my heart...

Like a harpoon

Like a harpoon in my heart

Yeah

I can handle the fighting, it's the affection I can't stand
And I don't mind us talking, just don't try and touch my hand
And I love her, but do you think she can see
When I tell her, it's the end for you and me
It was over, ever since you went and shot...

Like a harpoon

Like a harpoon

Like a harpoon in my heart...

Like a harpoon

Like a harpoon in my heart

When you left I didn't want you back
now you're gone so won't you come right back
Come right back (X5)

Why does it hurt?

Simple matters don't seem worth

We are the same, but it's not happening again

And I love her, but do you think she can see

When I tell her, it's the end for you and me

It was over, ever since you went and shot...
