

Sometree, Moduin

The same way
that you came
I once lost
everything

What took you so long
to find me here
I wasted all my time
What took you so long
to make it here
I wasted all my life

You wake up
the next day
with a bitter taste
You already know
You feel like
you don't belong here

What took you so long
to find me here
I wasted all my time
What took you so long
to make it here
I wasted all my life
