

# Son, Ambulance, Chlorophyll

Chlorophyll, the deep sea green bullet. Once I did watch delighted and fell in. I fell in. April's tendrils  
It's an unfolding parade, an unbeatable cascade and its going fast from the factory labour privy to the  
Cancelled appointments I could have braved. Call in sick for my big fake while I'm, while I'm well and  
Chlorophyll. The statix always playing, nothings going on. Nothings going wrong with my privacy fe  
In the carnival clarinets from the underground pageant
